

***BEYOND MEDALS.***

**AW25**

**SINCE 2012**

Since 2012 we've been traveling the world and making videos with the crew. Today we produce a wide range of outerwear and streetwear, reflecting what we are into at the moment with the desire to have something for every kind of boarder. We'll keep doing this until the wheels fall off and try to give back to the community which has shaped us into what we are today. Kevin & Tor
